CLUBS/ORGANIZATIONS ON CAMPUS

BY MADISON BENTON

THEATER NEWS- The Renaissance Festival is an event that is meant for people to get a slight feel of the Renaissance times. They have vendors, plays, and workers who play as characters. The SHS theater students recently attended the festival. Freshman, **Destiny Quave**, is a current theater student who attended the festival. When she was asked what her opinion was for her first time attending, she stated, "I thought it was really fun because you get to meet so many cool people and be exposed to

'new' (old) things. I especially loved going with the theater group because we are challenged to be a character based in the time with a backstory." It sounds pretty cool if you think about it. Destiny hopes for all students to attend the festival and get to experience the feeling for themselves.

The SHS theater program wishes to invite you to join them at The Oaks on 22 at 7 pm Friday, December 13th for a Dinner Theater performance of *Christmas Carol*. Admission is \$25.
