STEPS TO FOLLOW WHEN ABSENT FROM SCHOOL

5. If a student presents a fraudulent doctor's excuse, he or she will be disciplined. **THIS IS A SUSPENDIBLE OFFENSE!**

EXCUSES

The note from the parent or guardian should state the nature of the absence. If the Agenda is stamped red, then the absence counts toward the allowed 5 days. The stamped agenda must be presented to each teacher before the student is allowed to be admitted to class.

Students will not be excused from physical education unless they have an excuse from a physician stating that they cannot participate in physical education. If a chronic condition is present, the student should have an excuse on file in the office.

TARDINESS

If you arrive after the tardy bell, report to the office. Any unexcused check-ins will be counted as a tardy. Being tardy on six occasions per semester will result in a one-day detention. Students are not to drive their cars to campus in the morning and leave and go somewhere else even if they get back before the first morning bell rings. Students will not be allowed to leave the campus for any reason unless their parents give them permission through the front office. Going home to get books, posters, assignments, or gym clothes will not be allowed. Students will not be allowed to go to their vehicle for any reason. They will have to check out and check back in to school. This will result in a tardy. **STUDENTS MUST CHECK OUT THROUGH THE OFFICE.**

If a student wears a jacket, the ID must be worn on the outside so that it is visible. **If a student forgets their ID at home, he/she must report to the office/library before the tardy bell to purchase a temporary one for .50 cents. Anyone coming after the bell will receive a morning tardy.** This temporary ID is only good for one-day. Re: **Notification of Asbestos Inspection and Asbestos Management Plan Availability**

To: Whom It May Concern,

The Asbestos Hazard Emergency Response Act (AHERA) requires that all schools conduct detailed inspections to identify all asbestos containing building materials that may be present in the school environment. AHERA requires the inspection results and the associated Asbestos Management Plan to be submitted to the Louisiana Department of Environmental Quality (LDEQ). A copy of the Asbestos Management Plan must be maintained at the administrative office for review by the public.

Springfield High maintains a proactive asbestos awareness program. Periodic surveillances (every six months) are performed by a qualified individual to assess the condition of the remaining asbestos containing building materials. This information is updated in the Asbestos Management Plan and available for review.

This letter of notification is an annual requirement to the public. If there are any questions, please contact the Designated Person, Danita Duffy, at 225-686-4212 for more information or assistance.

Phase II A/B Schedule

As long as we are in Phase II, students will be assigned A or B day to attend school. Please follow the calendar below. They will be expected to participate virtually on the days they are not physically on campus.

PHASE II A-B SCHEDULE

A SCHEDULE	Monday, Wednesday & Every Other Friday
B SCHEDULE	Tuesday, Thursday & Every Other Friday
NO SCHOOL	Labor Day, Teacher Professional Development, Fair Day, Election Day, Thanksgiving, Christmas

Using the Phase 2 LDOE guidelines, the school system can only physically accommodate half of the students on campuses, on any given day, due to transportation restrictions and occupancy restrictions. In this phase, LPPS will follow an A-B model to provide in-person instruction to half of the students in **grades 3 through 12 on alternating days**.

Pre-kindergarten through second grade students, all students with significant disabilities who participate in alternate assessment, students enrolled in a class at the Literacy & Technology Center, and students attending the ELEC Center will report to class daily for face-to-face instruction.

* This calendar will be followed for the time period Louisiana is in Phase II of the Roadmap to Restarting Louisiana. For convenience, this is laid out for the semester; however, when Louisiana moves into a different phase, the schedule will change. Our goal is to have all students report to campus daily, as soon as possible. *
