

Get Your Best Score Using SAT/ACT Essentials

Preparing for a college entrance exam like the ACT or SAT is no easy task. That's why we've designed this self-paced, personalized course with a busy student like you in mind. It's available 24/7 and created by a team of test-prep experts using a recommendation engine to help you reach your target score.

Get Logged In

Go to www.HomeworkLA.org and click on Live Homework Help®. Create an account. They're anonymous and free, but needed to save your test scores and practice progress. Click on SAT/ACT Essentials. Choose to prep for the SAT®, ACT® or both.

01

Set Your Targets

Set your target test date and your target scores on the homepage. This will help you keep on track and moving towards goal your goal.

02

Practice Tests

In the **Practice Tests** tab you can take a full-length practice test on paper or online. You can use a timer like on the real test or take it untimed to get the feel for what to expect. Retake the test as many times as you'd like and track your progress over time.

03

Math Test – No Calculator

25 MINUTES, 20 QUESTIONS

SMART STRATEGIES
For questions 1–10, address each problem and choose the best answer from the choices provided. For questions 11–20, solve the problem from any choice for which you can find a solution. For questions 21–25, solve the problem from any choice for which you can find a solution.

- NOTES**
- 1. The use of a calculator is not permitted.
 - 2. All variables and expressions used represent real quantities unless otherwise indicated.
 - 3. Figures provided to illustrate any questions for which reference is indicated.
 - 4. All figures lie in a plane unless otherwise indicated.
 - 5. Unless otherwise indicated, the domain of a function f is the set of all real numbers x for which $f(x)$ is a real number.

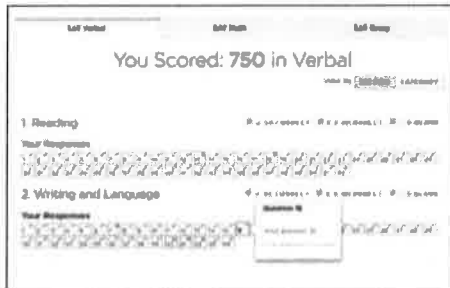

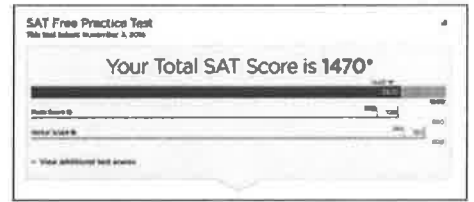

RESPONSES

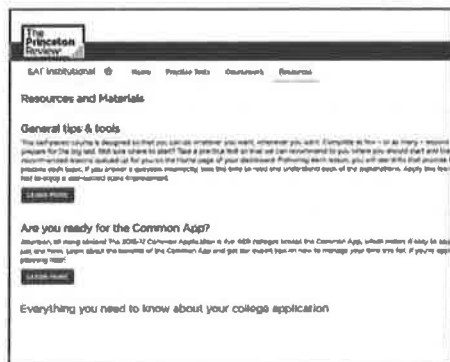

04

Score Report

Once you've taken the practice test, view your full score report on the **Practice Test** tab. This shows what you scored overall and on each section.

Use the Areas of Focus at the bottom of your score report to watch video lessons and take practice drills specially selected to help improve your score.

Coursework

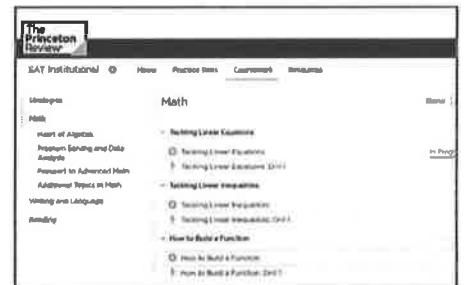

To go beyond your areas of focus, click on the **Coursework** tab. Here's where you'll find video lessons and practice drills for each core concept covered on the test.

06

Resources

Getting into your dream school requires more than just a high GPA and great test score. You also have to navigate the application process, write essays and apply for financial aid. Get expert advice from The Princeton Review on the **Resources** tab. We cover topics such as writing a strong essay, how to use the Common App and filling out the FAFSA.

Remember, as you prepare for the test, if you ever need one-to-one help understanding a practice problem, tutors are standing by. Just click on the Tutor.com Learning Suite tab in your browser to return to the Get a Tutor page.
