## DUCKS UNLIMITED

BY JADE BRIGNAC

The Springfield Ducks Unlimited Banquet took place in the Springfield Elementary School gym on Saturday, February 8th. The purpose of the banquet and the Ducks Unlimited program as a whole, is to raise money for the conservation of wetlands. This money was raised at the banquet through a variety of silent auctions, raffles, and donations. There were people from Springfield, Livingston Parish, and the entire state of Louisiana in attendance. They auctioned everything from framed pictures of ducks to hunting trips to Africa.

According to SHS Ducks Unlimited Sponsor, **Mrs. Genny Brown**, the banquet was a huge success. Once the bidding started, student club members went to work. They were in charge of presenting the auction items to the audience and then making sure people received the items they placed bids on. Senior **Blake Arceneaux** said he had a blast working with the crowd making sure they received their items. There was a delicious dinner provided by Livingston Parish Sheriff **Jason Ard** and Tax Assessor **Jeff Taylor**. Thanks to everyone who came out and supported this wonderful event.

# CLUBS/ORGANIZATIONS ON CAMPUS

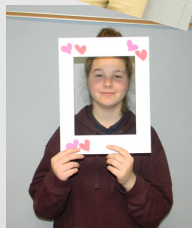

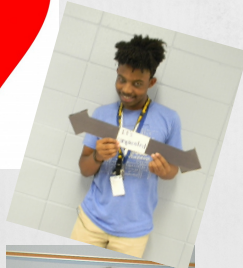

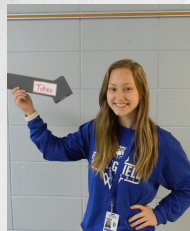

BY ANGELINA QUIGLEY

CLUB NEWS: This week's club in the spotlight is Springfield High's leadership council. Leadership council takes today's students on our campus and turns them into tomorrow's leaders. In October many students of the leadership council participated in the Prospective Partners Luncheon in which we talked to local businesses in hopes of partnering with them for projects for SHS. Many students led tours around the school during the luncheon showing the business leaders what a wonderful campus we have and what we do here at SHS. One of the many service hours opportunities the Leadership

Council looks forward to every year is TARC's Penny Power Campaign, in which many students clean and sort through change to go towards TARC's non-profit organization that helps many people with disabilities. Future events the Leadership Council will participate in include the Hammond Smokin' Blues & BBQ Challenge (where the students of SHS cook and sell donated BBQ in which all proceeds go to TARC) and the Special Olympics.
